BIG LITTLE SOUND is a local Louisville event management company specializing in Colorado's hottest new party and festival trend: silent discos.

IMAGINE

A room full of people dancing their heart out on headphones, silent to a passer-by except for the sound of the crowd singing along to their favorite tunes.

3 DJS

Imagine instead of one DJ, three all at once, each playing a different decade or style of music, which participants can switch between on their headphones as they wish.

3 STYLES OF MUSIC

Imagine the headphones changing color with each style of music, the room sweeping from green to blue to red as dancers change from Disco to Hip Hop to Rock n' Roll.

HILARIOUS

Now imagine removing your headphones and laughing your head off as the entire room sings along to three completely different songs, all at the same time.

CONTAGIOUS

Best of all, it's contagious. Using headphones means the music is completely immersive. There is no outside noise, no distractions, no chitter chatter, just 100% all out fun on the dance floor.

DANCING

Whether you're a John Travolta or a shy wall flower, Silent Discos WILL get you dancing.

Shhhhhh ... quiet's never been so loud

BIG little KIDS

Imagine a dance party for kids where they're having the time of their lives, but the room's quiet enough for that the grown-ups can have a conversation too. We're always searching for something new for our kid's parties. Our kids discos are up to 1.5hrs long and can be DIY or we'll provide a DJ/ Host. A perfect entertainment addition to any party.

HOLISTIC: Yoga, Meditation, Dance and Fitness

Rent silent headphones for a Holistic event. Our noise cancelling headphones can be used inside or outside. We have packages available from 15 headphones for up to 1.5hr event and we'll provide a technical staff member to set everything up. Our headsets work alongside an instructors mic so you can hear both background music and their voice. You can even add a DJ or any special lighting to really create a wow event!

SENIORS GET THEIR GROOVE ON!

Music is in all of us and Silent Discos are providing much needed entertainment to seniors. But, that's not where the story ends. Silent Discos can have dramatic results with dementia patients too. Check out this article for more info: <https://www.abc.net.au/news/2018-02-25/silent-discos/9480016>

OUTDOOR MOVIES

From a backyard party to a large-scale screening, we'll help you take your event outside with high quality sound and no noise problems.

EVENT MANAGEMENT

We do more than just silent discos. From stand-up comedy and live music to trivia, escape room style boxes and more, we offer a range of entertainment options to suit all tastes and budgets. Whatever the size and scale of your event, whether it's corporate, a fundraiser, community party, prom, birthday or a unique celebration of any kind, we'll help you take it to the next level and make sure it's stress free, smoothly run and THE party everyone's talking about for weeks to come.

OWNER & LOUISVILLE RESIDENT, GILLIAN MILLAR

A native Scot, I moved to wonderful Colorado five years ago from London, UK. I have a wealth of experience in large scale events and am delighted to be bringing unique events to Louisville and the Front Range. Tilt Pinball is my local Louisville client and I've managed over 100 events for them this year, including our successful Bluegrass Festival, sell-out Stand-up Comedy and Silent Discos to name just a few.

Prior to landing in Colorado, I was the Commercial Director at IE Music, in London where my focus was on worldwide tours, sponsorship, record deals and events for Robbie Williams, one of Europe's biggest selling musicians who has clocked up over 77million sales. Some highlights include: brand panelist at 'In The City New York', keynote speaker at the Sony Ericsson conference in San Paulo, Brazil and winning the BT award for innovation.

I love what I do, and I take so much pride in making sure that from enquiry to event everything runs smoothly and stress free - events can actually be lots of fun! If I've done my job right, you are able to fully relax and enjoy your event, knowing every little detail has been taken care of.

I believe strongly in supporting our local community and I offer discounts to local not-for-profit groups, fundraisers and am introducing a Senior community outreach program this summer.

TESTIMONIALS

“Gillian has organized and hosted a number of parties and special events in our event space at Tilt and our guests are always wowed by her attention to detail in making sure all the little details are perfect. She is a joy to work with and always listens intently so she can deliver a custom experience for every party. I would highly recommend Gillian for your next event or party. “

Steve Long, Co-Owner Tilt Pinball

“I was so excited to share this incredible experience and also raise money for the school. The night was a huge success both as a fundraiser, but most importantly as a social event for the parents. It will most definitely be an annual event for the school.” (Raised just shy of \$1000, Feb 19)

Tami Owen, PTA, Coal Creek Elementary

“Her attention to detail is matched only by her understanding of the need for bigger picture planning. Gillian made a truly remarkable contribution to ie:music’s success during her time with us. She was responsible for developing the brand partnership interests of ie:music in particular on behalf of Robbie Williams. Her work with T Mobile and Sony Ericsson resulted in probably the best brand partnership between a global artist and two major brands. These brand partnerships are renowned throughout the industry and through them, Gillian provided Robbie Williams and ie:music with a dramatic increase in revenues, a global marketing campaign and much increased album sales”

Tim Clark, Managing Director of IE Music, London, UK
